

BUCKINGHAM PALACE

To: The Students at Gimnazjum W Mielnie

The Queen wishes me to write and thank you all for your letter.

Her Majesty thought it was kind of you to write to her and, although unable to reply to you personally, The Queen was interested to learn that you are taking your final exams.

Her Majesty greatly appreciated your thought for her at Easter, and I am to convey The Queen's very good wishes to you all for the future, and thank you once again for writing as you did.
